

6 Things to do Before Your Summer Getaway

Your bags are packed, your itinerary is set and you're counting down the minutes until you take off for your dream summer getaway. Before you head out to the airport, though, read through this checklist of important things you don't want to forget before leaving for vacation.

1.) Let us know

Give us a call at (423) 875-6955 before you set off on your vacay. Let us know your vacation destination so we know to honor any card transactions you make while in another state or abroad. If you're traveling overseas, ask us about any foreign transaction fees and the best practices of using cash or debit/credit cards!

2.) Check your auto insurance plan for coverage

If you plan on renting a car, check with your auto insurance provider to find out if rental cars are covered in your plan. If they're not, you may want to purchase travel insurance, just in case.

3.) Pay all your bills

Before heading out on your trip, make sure all of your monthly bills are paid up. You don't want to be busy paying bills when you're having fun in the sun or take the chance of getting hit with late fees.

4.) Let your mobile service provider know about your travel plans

If you're traveling abroad, you'll want to check with your cell-phone company about possible overseas service plans that allow you to use your smartphone for calls, texts and internet access when on vacation.

5.) Confirm your reservations

It's a good idea to confirm your flight, hotel room, car rental and attractions before setting out on your trip. You may have booked some of these reservations months ago, and you don't want any unpleasant surprises ruining your vacation.

6.) Relax and keep on banking

Keep track of your spending, set up alerts to be notified when cards are used, and let our online and mobile banking options give you peace of mind.

Your time is important! That's why we're coming to YOU
